	MEMORANDUM FOR THE RECORD	
	SUBJECT: Medical Supplies for For OSA-OEL Office of Logistics	STAT
	 Normal procedures for acquisition of medical supplies have been and will continue to be 	STAT
STAT	2. A large number of drugs, including narcotics, are known as "controlled drugs," require the signature of a military physician is, therefore, unable to supply these drugs. However, until the deactivation of Detachment "G" at Edwards AFB, the Project Flight Surgeon performed this function.	
STAT STAT	3. With the dissolution of OSA and its medical component, it will be necessary for the Agency medical department to provide these controlled drugs through OMS/Supply. Supply Officer, has been briefed on the change taking place, and he states there will be no problem when a Form 88 is submitted by OSA or OEL to OMS/Supply. In the event that cannot supply certain items,	
STAT	OMS will respond to any requisition regardless and not necessarily just the "controlled items." 4. The medics at will present a list of their requirements to their Logistics Officer who will submit his	
	requirement through regular channels.	STAT
